Report of 3rd Workshop on Ethics and GCP

The Institutional Ethics Committee – Human Research and Medical Education Unit, UCMS, jointly organized a workshop on 30th January 2018 in UCMS. The Workshop was titled “3rd Workshop on ETHICS and GCP (Evaluation and Training in Human research for Institutional Committees’ Standardization and Good Clinical Practices). The workshop was organized in the Committee Room of College Building, First Floor.

The objectives of this workshop were:

- To strengthen and empower the Institutional Ethics Committee (IEC) members to ensure that they understand scientific, regulatory norms, ethical design, conduct and reporting of clinical research that will be of uniform nature and meets national and international quality standards
- To identify, discuss and resolve ethical issues during the process of review
- To review latest guidelines in Biomedical ethics

The participants of this workshop included the members of the IEC-HR, UCMS and also few faculty members of UCMS. The list is as follows:

Physiology	1. Dr. Farah Khaliq
Anesthesia	2. Dr. Geetanjali Chilkoti
