As already specified in the guidelines, The GST component will be calculated and collected from participants on the full registration fee.

The place where the particular FDP is being conducted, that is NC / RC / Medical college, shall only be responsible for depositing it in full to Govt.

Sir/Madam,

The Sr Consultant, Academic Cell, UGMEB, NMC, vide his letter dated 16-05-2023, has issued the fresh ruling regarding GST on FDP Registration fee and directed to disseminate this information to all the allocated colleges.

**Fresh directive from Account section of NMC regarding GST:**

1. As per this the FDP conducting NC / RC / Medical college shall remit 50% of GST also to NMC along with 50% fee share. To explain it further : The BCME fee per participant is Rs 5000 + GST of Rs 900 @18% Now as per this new directive the money to be remitted to Accounts branch NMC is Rs 2500 + Rs 450 per participant. This implies that for a BCME course strength of 30 participants, the money to be remitted to NMC is Rs 75000/ (fee component) + Rs 13500/ (GST component) Also ensure that during online remittance to NMC, at the place marked 'purpose' on bank's NEFT / RTGS page, Please mark it as FDP fee The

remaining GST component shall be handled and deposited by FDP conducting NC / RC / Medical college. NC /RC are requested to disseminate this info to their allocated colleges too.

2. Regarding FDP fee It is reiterated, the fee is required to be paid by all. This includes 'In-house participants' of a RC NC too.

3. Regarding BCME at RC NC. It is reiterated again, the participants for BCME at RC / NC shall only be either of these four (i. In house faculty of RC / NC, ii. MEU members of allotted medical colleges, iii. CC members of allotted medical colleges, and iv. participants of allotted Standalone PG Institutes ). Faculty from colleges which are not MEU or CC members shall be trained by their college MEU.

4. Inspection reports of MEU of newly established colleges We are yet to receive these inspection reports. Please expedite.

5. Quarterly Curriculum committee meetings Conveners are requested to ensure that Curriculum Committee of colleges allocated to your RC/ NC, including yours, are meeting at least once every 3 months. Minutes of these meetings are to be duly recorded by MEU coordinator and perused by you.

You are requested to kindly note the updates and accordingly remit the 50% of GST also to NMC along with 50% fee share. Also send the minutes of quarterly meeting of Curriculum Committee held during the year 2022-23.
