Activity Report

Organum Donum - Organ donation awareness

Induction session

Venue of the event: Lecture theatre 1

Date/s of the event: 25th May, 2023

Summary of the event

On 25th May, 2023, Organum Donum, the blood, organ and tissue donation awareness society organised an induction session to sensitize the Batch 2022. The guest speaker was Dr. Abhishek Garg, founder Organum Donum. Red ribbon club conveners Dr. Srishti Yadav and residents of CM department.

The session started with the introduction of a new club, Red Ribbon Club which would be working against the stigma associated with HIV and creating awareness among the youth.

Next Dr. Abhishek Garg introduced Organum Donum and how he started it. He talked about his experiences and how the society helped him to establish promising connections.

We covered the following topics:

- 1) Need of organ donation and myths associated - Ishika Garg
- 2) Basics of organ donation - Mehak Chhabra
- 3) What we do and brain death related - Apurva Mishra
- 4) Incidents and FAQs - Mohd. Rehbar
- 5) Ethical issues and Procedure of taking the pledge - Kshitiz Sahil

Maanya Mehra of batch 2020, ex-coordinator of Organum Donum shared her experience of working with the society and asked the students what new they can bring.

The session ended successfully with the assurance of students to come forward in this endeavour.
