Medical Education Unit, UCMS, Delhi

Status Report 1st April 2020 to 31st March 2021

This was a COVID-19 year in which in-person training programs were not held. The MEU, UCMS and GTB Hospital shifted to online mode and almost all the workshops were held online. We collaborated with international faculty and participants, held NCM approved workshops, and also played a key role in conducting COVID-19 training of healthcare workers of UCMS and GTB Hospital, Delhi. The students' section also shifted to online organ donation awareness competitions and online quiz events. Here is a snapshot of the activities carried out by MEU in the past one year.
