

Organum Donum Event (5th Feb, 2020)

An interactive session was organised with the students of Batch 2019 (2nd Semester) on Organ Donation under the guidance of **Dr. Khan Amir Maroof** on **Feb 5, 2020** at **University College of Medical Sciences** in LT- 1 from 4 pm to 5 pm.

Topics Discussed- Current situation in India, Myths and Misconception, Brain stem death and Grief Counselling.

Audience- 115 students from Batch 2019 were present.

Team Members-

MBBS students

Anamika (8th sem)

Ramansh Bandhu Gupta (8th sem)

Divya Garg (4th sem)

Lovey (4th sem)

Somnath (4th sem)

Hansika (2nd sem)

Manya Gupta (2nd sem)

Sindhu (2nd sem)

M.Phil, Clinical Psychology

Nithya

Also **Dr. Abhishek Garg** founder of Organum Donum along with **Dr. Shivansh Khare** discussed about grief counselling and demonstrated how to approach a family regarding organ donation.

Motive - The aim of the event was to create awareness about organ donation amongst the medical undergraduates and to rectify their doubts about the same.

Feedback by the students- Students acknowledged the cause and were enthusiastic to work for the same.
