Activity Report

Organum Donum - Organ donation awareness

Orientation session

Venue of the event: Lecture Theatre 2

Date/s of the event: 19 September, 2023

Summary of the event

The event was the orientation session of the society for 2023 batch. It started with the introduction of the society by Khushi Kumari, coordinator. Some questions were asked to the students and we were excited to see their interest in this. Aryan Singh of 2022 batch presented the slides for the basics of organ donation, myths associated and what we as students contributed towards the cause. Our Faculty advisor Dr. Khan Amir Maroof sir gave some words of wisdom. The session ended with the vote of thanks by Saumya Mishra.
