

MEU Hour

A Faculty Development Initiative

Medical Education Unit

UCMS and GTB Hospital, Delhi-95

For UCMS and GTBH Faculty

Introduction

The Medical Education Unit launched MEU Hour for creating awareness, generating discussions, and supporting the UCMS and GTBH Faculty in understanding and implementing Competency based curriculum for medical undergraduates. It is a one hour session from 11.30 am to 12.30 noon on every Saturday. The first round of this was held in August. 25-30 faculty participated in the four sessions held in August. The sessions usually began with a short presentation on powerpoint followed by verbal or message based discussions.

The summary feedback report is given below.

Feedback

13 faculty responded. (Fig 1)

designation

13 responses

Fig. 1: Distribution of the faculty as per the designation

device through which you accessed the session/s
13 responses

Fig 2. Device through which the faculty accessed the sessions

Level of satisfaction with the individual session is shown in Fig 3.

DID NOT ATTEND

please indicate your level of satisfaction for the MEU Hour sessions which you attended during August.

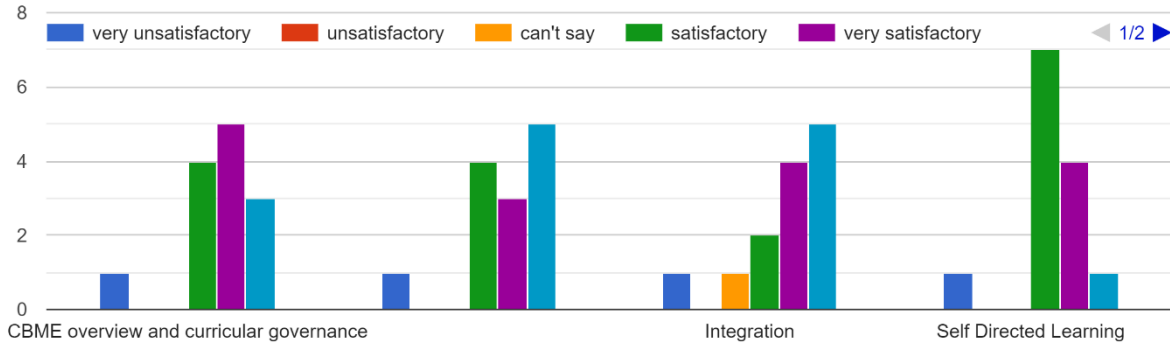

Fig 3. Level of satisfaction with the session you attended during August 2020

whether the MEU Hour sessions will help you in contributing to implementation of CBME in your department? please give session wise responses

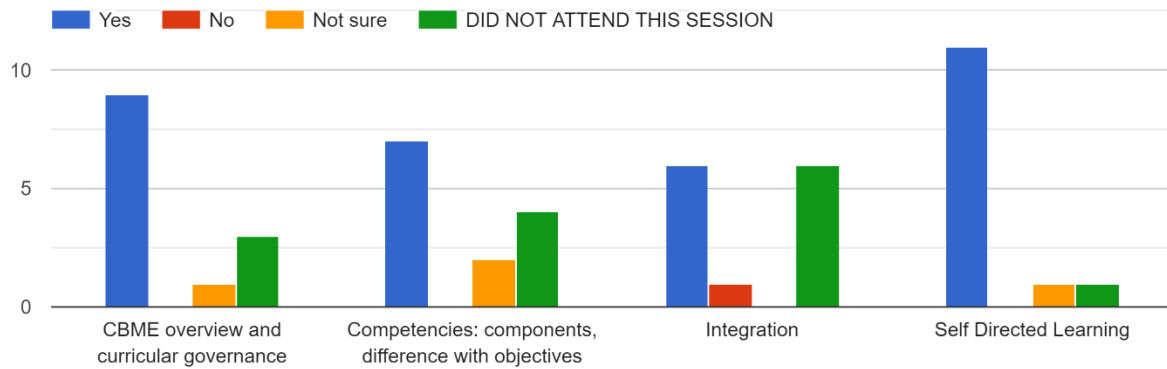

Fig. 4. Responses to 'whether the MEU sessions will help in contributing to implementation of CBME in your department'

Do you like MEU to conduct similar sessions in future
13 responses

Fig 5. Distribution of responses w.r.t. whether the faculty wanted that MEU should conduct such programs in future

Table 1: Responses to the question: 'What did you not like in the MEU Hour sessions?'

Would have liked some reference to tools for SDL and Integration
Overall good
Less participation by attendees
NA
None
They were good.
Not applicable
Nothing
Nothing
they were all very interactive

None
Network Connectivity issues could be solved
Integration at multiple levels in teaching doesnot seem to be evolving

Table 2. Responses to the question: ‘What did you like about the MEU Hour sessions?’

interactive presentations
Good
Clarity of subject that MEU faculty have.
Simple and to the point.
Simple and clear explanation
Simplicity clarity not jumping to depth of subject..
Clarity of presentation
Interactive
Time duration, clear presentation,easy to understand
All very good and simplified.
Crisp and targeted talks
Very interactive
Innovative, user friendly modality being used

Table 3. Topics for further MEU Hour sessions given by the faculty

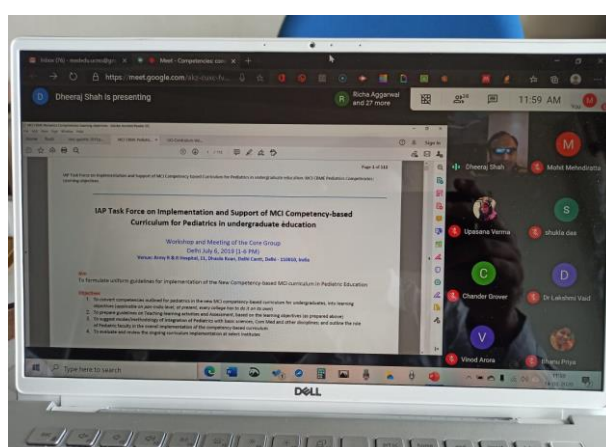

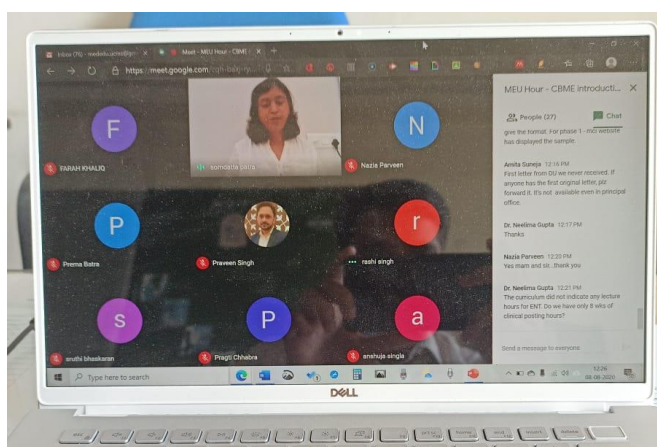

SDL tools and facilitated learning modes
Yes..
Integration, AETCOM
ECE
Log books, certification, assessments
In depth implementation of CBME curriculum
Making LO
More topics related to CBME
Assessment part, Logbook,ATCOM
in my opinion, integration esp with other clinical departments (horizontal) in phase 2 and 3, will require coordination. A simplified modality for the same may be discussed
Formative assessment
Team based learning, Use of more audio visual aids in teaching
Right now competency based only

Table 4. Other comments and/or suggestions by the faculty

good presentations
Arrange for more faculty sessions
Wonderful presentation.
None
None

Keep going good work!
None
Invite experience sharing of faculty
Sessions on above suggested topics can be conducted by MEU.
Thanks MEU for your efforts.
I would like to contribute in MEU hour
It should continue
Integration of various departments

Program schedule

For the month of August 2020

Dated: 5th Aug 2020

S.no	Date/Time	Topic	Panellists	Joining link (Google Meet)
1	8 Aug '20 (Saturday) 11.30 am to 12.30 pm	CBME overview, curricular governance and QA session	Dr Piyush Gupta, Dr Somdatta P, Dr Amir MK	https://meet.google.com/cqh-baxj-ryq
2	14 Aug '20 (Friday) 11.30 am to 12.30 pm	Competencies: components, difference with objectives	Dr Alpana, Dr Dheeraj	https://meet.google.com/akz-cuxc-fvn
3	22 Aug '20 (Saturday) 11.30 am to 12.30 pm	Integration: Recommended Techniques	Dr Amir MK, Dr Priyanka	https://meet.google.com/egp-cymf-dqu
4	29 Aug '20 (Saturday) 11.30 am to 12.30 pm	Self-Directed Learning (SDL)	Dr Somdatta, Dr Mrinalini	https://meet.google.com/pnt-diav-azw

Note for the participants circulated along with the program schedule:

1. Please note that in Google Meet, the host has to admit the participants, as and when they click on the joining link at the beginning of the session. Once the session starts, and slides are displayed, it becomes difficult to focus on presentation and admissions simultaneously. Please be patient if you join in between and are unable to join. We will admit, as and when we take breaks in between the presentations.
2. The chat feature of Google Meet is useful and user friendly. You can keep posting your comments and feedback simultaneously as the session progresses, so that we don't miss any of your questions. If it is a very pressing question, please feel free to interrupt anytime.
3. When you ask questions using audio, please mention your name and department first and then ask the question. This will give a human connect to the QA component.
4. You can join Google Meet sessions from your desktop or mobile phones. You do not need to install Google Meet on your computer/laptop, but it is advisable to download the Google Meet app, if you plan to attend using your mobile phones.
